

Horizon Sectional

Short Description: Clean, Contemporary yet comfortable

SKU: F-HORIZON

\$1,899.00

Track arms and neatly tailored cushions create a clean, contemporary look for the Evanston Sectional that's supported by the low, wooden block feet. The T-style cushion design means comfort from edge to edge while still maintaining crisp lines and defined corners — something that's emphasized further with the use of matching welted trim along most edges.
