

Khan Hand-Braided Area Rug

Short Description: An effortless glance-grabber in any space, this alluring area rug is sure to enliven your abode. Roll it out between a pair of crisp white loveseats for a pop of contrast in the living room, then make it shine with flickering candle lanterns atop weathered wood nightstands around the ensemble. Made in India, this ravishing rug is sure to stand out in any space. It is handcrafted of 100% cotton for a soft touch, while a braided design and a rainbow of vibrant hues make it effortlessly eye-catching. Switching up your style in the master suite? Take a solid-hued sumptuous comforter from simple to stunning in seconds by complementing it with this ravishing rug on the floor below. Though this posh piece brims with bohemian beauty all on its own, you can lend a little extra breezy appeal by dotting the walls around with a collection of curated antique prints.
