

Ermont Coffe Table

Short Description: Don’t choose between traditional elegance and rustic charm. Bring both t o your home with this chic coffee table. A must-have for your home, this design is brimming with modern farmhouse appeal. The clean-lined metal frame with a black finish adds a touc h of midcentury flair to this design, while the wood top with grain details adds farmhouse fl air. This table also features lower shelf, so you can easily tuck away your belongings in style. Try setting this coffee at the center of your living room for the perfect place to set out after work drinks or Sunday snacks. Want to build a vignette instead? Start by adding a small bou quet of white hydrangeas in a Mason jar vase, then fan out a stack of glossy fashion magazin es and add a trio of pine-scented candles. Finally, roll out a natural jute rug to anchor the sp ace in modern farmhouse style.
