

# Comet Coffee Table

Short Description: Center your conversation space or entertainment ensemble around sleek s tyle when you add this elegant coffee table to your space. A study in contemporary design, t his lovely piece blends minimalism with modern style. The clean-lined silhouette gives this p iece its modern edge, while the powder-coated iron frame and the laminated manufactured wood tabletop add elegant contrast. It also features a convenient lower shelf for essential sto rage space. Try setting this piece at the center of your living room, then craft a vignette for c ohesive chic style. First top it with a stack of glossy art books, then add a mini succulent in a matte white pot and a sleek golden accent sculpture. Once your vignette is set, roll out a nat ural jute rug to anchor your space, then dangle a few golden glass globe pendants overhead f or a warm glow and dramatic flair.
