

Adams Aqua Area Rug

Short Description: Bring a bold, artful touch to your floors with this eye-catching are a rug, featuring an abstract floral motif in muted aqua, lime, teal, gray, and tan hues. Let it anchor a simple wood table with matching chairs for a transitional twist to your dining room ensemble, or set it down in the living room under a wood and iron coffe e table. To play up its cool palette, set out neutral-hued upholstered seats topped with teal and violet pillows, then up the artful appeal with abstract giclee prints, bold Roth ko reproductions, and clean-lined modern statuettes to finish up your tabletop ensemb les.
