

Briarwood Coffee Table

Short Description: Center your well-appointed and charming ensemble with this esse ntial coffee table, featuring a clean-lined wood design and white-washed finish for a t ouch of rustic charm and timeless appeal. Let it center a seating group of neutral-tone d sofas, linen-upholstered loveseats, and gently tufted arm chairs, then add in pierced ceramic garden stools and cableknit ottomans around the space to bring some texture to the ensemble. Featuring a lower shelf with slatted wood details, this coffee table is perfect for keeping board games or baskets of remotes corralled, while the spacious t op lets you arrange stacked hardcover novels and a ceramic bowl of sea glass.
