

Jonathan Shag Silver Area Rug

Short Description: A muted take on boho-chic style, this eclectic rug brims with a plush shag design. Create an elegant foundation with tufted seating, nailhead-trimmed beds, and mirrored sideboards, then add a striking contrast with colorful cabinets and tables in distressed finishes. Crafted to perfection, this lovely rug is made from premium-quality acrylic that makes it strong and long-lasting. This rug is available in multiple sizes, letting you choose the one that is best suited for your home settings. cleaned by professionals.
