Adjustable wooden glides so that the drawers will open and close smoothly throughout the life of the furniture piece. Clear finish that is silky, smooth to the touch and still tough enough to stand up to the wear and tear of daily family activities. To preserve the beauty of the finish, simply clean the surface of the furniture with a soft damp cloth and then dry it thoroughly. Care over the years to come will not require oil, polishes, or cleaners. Natural hardwoods have specific characteristics that make them warm and appealing to the eye. Swirls, knots and burls are some characteristics that contribute to the natural beauty of finely crafted hardwood furniture. Hardwoods oxidize, or change color, from exposure to direct light. The color of the wood will deepen over time and take on a warm glow and soft patina. All finishes come in "conventional" top coat but can be upgraded by calling in
