

HIP LOVESEAT

SKU: INSP-L11

Friday night is movie night! Grab a bowl of buttery popcorn, dim the lights down low, and gather the family atop this stylish loveseat for an entertaining night in. Set this understated design in front of a dark-finished wood coffee table to play with its wooden block feet, then complement its gray-hued microfiber upholstery with crisp white pillows and ivory cashmere throw blankets. For a cohesive look in the living room, add matching arm chairs to the space, lovely along with a trellis-patterned rug to round out the ensemble. Whether you're cracking up at a comedy or hiding behind a pillow throughout a thriller, this loveseat is sure to make your night classically cozy.
