

SEA BREEZE LIVING ROOM SET

Short Description: Crisp and colorful, this room takes its cues from the Matisse on the wall

SKU: INSP-LIV7

\$3,167.00

Crisp and colorful, this room takes its cues from the Matisse on the wall. The classically styled chairs are given a modern twist with fresh floral and fretwork patterns. White walls and linen drapes frame the scene while a clean-lined tailored white sofa anchors its cool modern feel. Glints of gold and antiqued mirror bunched tables polish the look with rich touches.
